

RUTHERFORD

Term 2 Focus

Our overarching theme for the Term 2 is Kaa Mua, Kaa Muri - Changes over time, where we take an in-depth look into how the past has impacted the present & future, with a focus on ANZAC, navigation, and technology.

While we continue to intertwine our core curriculum areas of Literacy and Numeracy through our term focus, we will also have speeches as our major literacy focus. Later in the term, we will start our school production, where each class will be involved by presenting an item related to the concept of the Olympics.

The Arts programme will move to the middle block of the day on Thursday.

This term children we will not meet under the cover turf at the end of the day, children will be dismissed from their classrooms.
